# A Floor Restoration Service You Can Trust Since 2005

Floor Restoration Services by SRP Company proudly serves the Greater Atlanta and North Georgia areas. We are equipped to restore the dulliest floors in any market space. Whether you're in need of restoring commercial or retail spaces, our team of industry professionals will provide project management from start to finish. You can rest assured knowing you're in the hands of a professional company who values your vision and time.

## Initial Surface Audit & Proposal

Before restoring any surface, it is important to evaluate the unique structure and special requirements it might possess. This ultimately means that not every surface is fit for restoring. Our team of professionals has the training to provide you with a surface audit to ensure our services can be completed. Our craftsmen are consistently trained on the newest surface care techniques to ensure you are only getting the latest and best techniques available.

- Complete & thorough initial & final inspections
- Evaluation of surface's pre-existing & current condition
- Detailed estimate broken down by area
- Competitive pricing
- Full disclosure of any limitations
- Staff maintenance training
- One-time project based restoration
- Monthly, quarterly, semi-annually, or yearly customized maintenance programs
- Spot demonstrations available upon request
- Fully insured
